

Grant Awarding Policy

This policy was adopted at a Full Council meeting on 3 January 2010⁹ and the grant awarding policy budget for 2019-2020 is a total of £2000, with a maximum award of £500 per application.

Ingatestone and Fryerning Parish Council has the statutory power to award grants. When awarding a grant, the parish council shall be of the opinion that it is in the interests of and will bring direct benefit to their area or any part of it or all or some of its inhabitants.¹

Grants must be formally applied for using the Ingatestone and Fryerning Parish Council Grant Application form together with all supporting documentation as requested in that form. The parish council particularly welcomes applications from organisations that can provide evidence of match funding.

The timing of the application and consideration thereof will be in accordance with the timetable below, providing always that in case of exceptional urgency, grants may be submitted and considered at any time of the year up to the financial limit of the grant awarding budget.

Grant applications will be assessed on the following criteria, which are in no priority order –

- The benefit to all or part of the parish of Ingatestone and Fryerning
- The benefit to all or some of the residents of Ingatestone and Fryerning parish
- What proportion of the residents will benefit from the grant
- The assessment of the viability and robustness of the application
- The availability of parish council funds for grants

The parish council reserves the right to reject applications or to reduce the award made. The parish council wish to encourage applications from a wide range of different organisations and as such, will not guarantee the awarding of a grant to a single organisation on an annual basis.

Grants will not be considered if the applicant has any money overdue to the parish council.

Awards will not be made to

- Commercial enterprises set up to generate profit
- Those supporting party political issues or supporting or opposing a political party
- Health, education or welfare organisations whose services should be provided by statutory funding
- Individuals

The parish council reserves the right to request copies of the organisation's audited accounts, or in the case of a charity, their annual return. A copy of the organisations latest bank statement is required to be included with the application and it will be into this account that the grant will be paid and not an individuals account.

Grant applicants if they wish, can address the meeting at which their grant is considered. For further details please contact the Clerk.

¹ Local Government Act 1972, s137
